

## Put Off Vote On Con-Con

### Stop Voting Before Bill Was Killed

Springfield, Ill., April 13—(AP)—Governor Stevenson's proposal for a state constitutional convention failed to win approval today in the Illinois House.

With 102 votes needed for adoption, the con-con resolution obtained only 96.

Sponsors kept it technically alive by postponing further consideration despite objections of Republicans who wanted to deal a complete death blow.

It may be voted on again before July 1.

**Bill's First Test.**  
The vote, which climaxed nearly seven hours of debate, marked the first major assembly test for Stevenson's new Democratic administration and its first setback.

The unofficial and incomplete roll call showed 76 Democrats and 20 Republicans for the proposal. Forty-six Republicans and two Democrats voted against it. Eight other members were absent or not voting.

The resolution would submit to a 1950 referendum the question of calling a convention to rewrite the state's 1870 constitution. No. 1 assembly goal.

Jacob M. Arvey, Cook county Democratic chairman who has personally solicited favorable votes for weeks, said:

**Appreciates Support.**  
"We are very appreciative of the support given us by both the Democrats and the Republicans recorded as voting aye. We regarded this proposition as a solemn obligation of our party to the people, and those (two) Democrats who did not vote for it failed their party and their community."

The two Democrats recorded against the resolution are Reps. D'Arco and Euzzino of Chicago.

Stevenson put constitution reform at the top of his legislative program because, he said, the present document blocks good government.

During the House debate, the governor's floor spokesman pleaded for bi-partisan support to help Stevenson carry out his campaign pledge.

His leaders said the main issue was "trusting the people and giving them a chance to vote" on the Con-Con question.

But downstate Republicans replied there is no popular demand for revising the organic law and that any changes should be made by separate amendments.

## Iowa Senate Will Not Join Probe Of U. Of Iowa

Des Moines, April 13—(AP)—The Iowa senate today refused to join the house in a move to investigate expenditures and teaching methods at the University of Iowa in Iowa City.

The senate rejected two amendments which the house earlier in the day attached to the \$17,000,000-a-year appropriation bill for state educational institutions.

The house amendments would have:

1. Directed a legislative interim committee to investigate the University of Iowa and report to the 1951 legislature.
2. Required the University of Iowa to increase its medical school enrollment to 120 freshmen students if possible next fall in order to qualify for any state funds.

## Israeli Hopes For Early Admission To U.N. Dashed

New York, April 13—(AP)—Israel's hopes for early admission to the United Nations were dashed today by a surprise decision for full review of the Zionist State's right to join.

The U.N. assembly voted 31 to 10 to study the Israeli application in the 58-nation political committee. Nine countries did not vote. Earlier the assembly voted 46 to 7, with three abstentions, to put the question of admitting Israel on the assembly calendar of this spring session.

To gain admission, Israel must get a two-thirds majority of those present and voting in the assembly. It may be mid-May before the bid comes up for a final vote.

## DEALERS SELLING FROZEN FISH WITHOUT LICENSE

Springfield, Ill., April 13—(AP)—Many Illinois fish dealers are unwittingly violating state law by selling frozen fish without a \$5 state license, the State Conservation Department said today.

Only three of 15 retailers in one southern Illinois community were licensed, a survey showed. The penalty is \$25 but it usually is waived if a license is bought.

## Head Of American Relief Arrested By Czech Police

Prague, Czechoslovakia, April 13—(AP)—The U.S. embassy revealed today that Miss Vlasta A. Vraz, the head of American relief here since the nation was liberated from the Germans in 1945, is a prisoner of Czechoslovak police.

Miss Vraz, an American citizen whose home is in Berwyn, Ill., was arrested Saturday. Interviewed in prison by U.S. consular officer Carl Parry, she said she understood she is held for an investigation "in connection with alleged activities of a political nature."

It was also learned that at least two American pastors have been expelled from Czechoslovakia in recent months and the American head of an orphanage in Moravia is under orders to quit the country.

The security police have ordered that all visas for foreigners issued before April 1, 1949, must be returned for reexamination. The purpose of this was not announced.

## Gromyko Charges Pact Nations Are Isolating Russia

New York, April 13—(AP)—Andrei A. Gromyko charged today the North Atlantic treaty nations are isolating Russia and plotting aggressive atomic warfare against the Soviet Union.

The No. 1 Soviet deputy foreign minister launched the blast at the 12-nation Atlantic pact in the United Nations assembly. But he made no demands for U. N. action at this time.

Warren R. Austin, chief United States delegate, promptly issued a statement to newsmen saying the pact is not an aggressive instrument. Austin said it is rooted in the purposes and principles of the U. N. charter.

The United States representative will reply soon, perhaps tomorrow. He demanded the floor after Gromyko but Assembly President Herbert V. Ewart said he had too long a list of speakers for the remainder of this session. Austin had spoken before Gromyko on Russia's 30 vetoes in the Security Council.

## Will Sentence 19 German Officials For War Crimes

Nuernberg, Germany, April 13—(AP)—An American court completed tonight the reading of verdicts convicting 19 former German officials of war crimes.

Sentences will be passed tomorrow. The prosecution has asked the death penalty. Only two of the 21 Germans who went on trial 15 months ago were freed. The trial, the longest of the war crime hearings, involved a total of seven counts.

Judge Leon W. Power of Denison, Ia., filed a dissenting opinion, complaining that a strange doctrine of "mass or collective guilt" was applied in the majority ruling of the two other judges. He agreed only on the convictions on two counts, enslaving the conquered peoples (six) and membership in criminal organizations (12).

His dissent, however, will not affect the validity of the other convictions. Only a majority vote is required.

The judges of the majority are William C. Christianson of Red Wing, Minn., and Robert T. Maguire of Portland, Ore.

## 70 Neighbors Plow Sick Man's Fields

Decatur, Ill., April 13—(AP)—Harold Thomas has 70 good neighbors.

Thomas has just returned from an hospital, where he underwent an operation. Today 70 farmers with 70 tractors pulled into his fields and plowed 150 acres in three hours.

Neighbors and relatives also will plant the ground in corn, and cultivate it this summer.

This afternoon, the same crews of neighbors assisted two other ill farmers of the neighborhood.

## President Truman Calls On Congress To Create CVA

Washington, April 13—(AP)—President Truman called on congress today to create a Columbia Valley administration to help develop and conserve the vast natural resources of the Pacific northwest.

He asked for the transfer to such a government corporation of all the federal government's activities relating to the construction and operation of facilities on the Columbia river and its tributaries for the conservation and use of water, including the generation and transmission of power.

The Columbia is the largest river flowing into the Pacific from the American continent. More than 30 per cent of the potential hydroelectric power of the United States is located in its watershed. Mr. Truman noted that only about 10 per cent of that power—some 30,000,000 kilowatts in all—is being utilized.

But, he told congress, far more than power is involved in the Columbia's development. He mentioned flood control, irrigation, navigation, fisheries and other features.

## Northwest Hit By Earthquake

### KOREAN STUDENT IS 2ND IN SPEECH MEET

Hamilton, N.Y., April 13—(AP)—A Korean student, who came to the United States for the first time six months ago, was \$25 richer today for a talk he gave about the Republic party.

Freshman Boo Yen Shynn, who enrolled at Colgate last September, gave his views last night on "the future of the Republic party" at a university public speaking contest.

The Korean youth placed second behind freshman Chris Russell of Charleston, Ill.

## Joint Conferees Set 5 Billion Ceiling On ERP

Washington, April 13—(AP)—Senate and House conferees tonight set a \$5,580,000,000 ceiling on next year's European recovery program after Marshall plan Chief Paul G. Hoffman said actual funds might be cut as a result of price drops in this country.

The Senate and House previously had passed somewhat differing bills to continue the economic aid program another 15 months. The Senate had approved the full administration request of \$5,580,000,000 while the house figure was \$200,000,000 less. The conferees were named to iron out the differences.

The agreement, which is expected to get quick approval from both House and Senate, provides:

\$1,150,000,000 for the economic cooperation administration until June 30, this year.

\$4,280,000,000 to run the Marshall plan through June 30, 1950.

## Two Ships Collide In Delaware Bay; Fire Rages 5 Hours

Marcus Hook, Pa., April 13—(AP)—A head-on collision of two ships in the Delaware Bay today set off a fire that raged for half a day and inflicted heavy damage on a huge oil tanker.

A 90-foot hole was torn in the bow of the Pennsylvania Sun, a 17,000-ton tanker and one of the largest in the Sun Oil company's fleet.

The rip in the bow of the 7,600-ton freighter American attorney, tore 10 feet from the deck.

There were no casualties but Walter Roberts of Sharon Hill, Pa., looked on the bow of the tanker was hurled overboard by the force of the crash. He was picked up by a passing ship and sent to Crozier hospital, Chester, for a checkup.

The crash took place at 1:40 a.m. (central standard time) in the fog-shrouded bay about 70 miles southeast of Philadelphia and 50 miles from Marcus Hook, headquarters for Sun Oil.

## Charges He Was Jailed 34 Days Without Hearing

Chanel, Ill., April 13—(AP)—Richard Joliet, 21, was fined \$50 and costs today, both suspended, and an investigation was ordered to learn why he was held 34 days in jail without a hearing.

Chanel appeared before County Judge John Cawing on a charge of leaving the scene of an accident. He told the judge he had been in jail 34 days before appearing in court.

Assistant State's Attorney M. W. Stefanich said he understood Chanel was out on bond.

Judge Cawing transferred the case to justice of the peace court where Chanel was fined. He then ordered Stefanich to investigate the cause of the delay.

## Catch Teen-Age Horseback Riders Trying To Elope

Chicago, April 13—(AP)—Two teenagers were returned to their parents today after admitting to police that they attempted elopement on horseback "wasn't such a hot idea."

They are Robert Robinson, 17, and Barbara "Mickey" Stafford, 15, who rented horses yesterday at a riding stable and failed to return their mounts last night.

The horses were found today at the farm of William Kirchoff, near Mt. Prospect, about 17 miles northwest of Chicago. Later in the day, the young equestrians, clad in blue jeans and walking hand-in-hand were found at McHenry, Ill., about 40 miles northwest of here.

Lt. Daniel Conway, head of the Cook County Forest Preserve Rangers, said both youngsters admitted they had intended to ride to Minnesota and be married there.

## Six Killed, Many Injured, Damages High

Seattle, April 13—(AP)—Death, fear and widespread damage rocked through the Pacific northwest at 11:55.54 a.m. (PST) today.

The worst earthquake in the region's history brought death to six persons and injury to many others. It cracked buildings, into city streets on the heads of the thousands who fled the swaying structures.

It hurled two houses into Puget Sound from Fox Island, near Tacoma, Wash. They were believed unoccupied, but the coast guard sent a boat to investigate.

**Cracks Earth.**  
It cracked the earth. It disrupted rail traffic for two hours between Portland, Ore., and Seattle. It was felt over a 500-mile long area of the coastal northwest, hitting hardest the Puget Sound cities of Olympia, Tacoma and Seattle. Eastern Washington, Oregon and British Columbia and northern Idaho felt it slightly.

A Seattle man, Alfred Weland, 60, died of a heart attack two hours after the shock.

The casualty list was concentrated in the west central Washington area. Percival Bissan, a workman, was killed by falling bricks and Mrs. C. W. West died of a heart attack at Olympia, Wash. Marvin Klegman, 32, was killed by bricks at a Tacoma school and Jack Roller, a high school athlete was injured fatally when a Castle Rock school building toppled. In Centralia, Mark Kuveric, 70, was killed when the entire front of a business building collapsed.

Injuries were reported from many western Washington cities. The total may run to scores.

The quake struck violently in Olympia, Wash., damaging eight major state capital buildings. Three were ordered vacated immediately, and an official said damage to state structures alone would amount to uncounted millions. All Olympia city business buildings were ordered closed.

**Seismograph Disrupted.**  
The University of Washington seismograph recorded start of the quake at 11:55 a.m. (PST). Both needles were knocked from the drum. The seismograph still was vibrating 20 minutes later.

University seismologists rated the quake as No. 8 intensity. (No. 12 is the worst possible intensity and would mean total destruction of an area.) The worst previous quake here on February 14, 1946, was rated No. 7.

Keith Olse, geology department associate, estimated the center as a short distance west or southwest of Seattle.

At Honolulu the Barbours Point seismograph located the quake by checking intersecting reports. The shock knocked a needle from a seismograph at the University of Nevada in Reno, and was recorded on machines in New York City.

In the western Washington zone of heaviest damage water tanks split open, windows were shattered and bricks and concrete blocks rained into the streets.

## Newspaper Strike In Washington, DC Ends By Agreement

Washington, April 13—(AP)—The strike which left Washington without newspapers for three days ended tonight. Striking pressmen and stereotypers won a \$6 weekly pay boost and shorter working hours.

The AFL crafters who make the lead plates and run the presses came to terms after secret talks with the city's four daily papers, which have been shut down since Monday morning.

About 140 pressmen and 50 stereotypers were involved.

The morning papers, the Times-Herald and Post, promptly rushed to get out earlier editions as pickets were withdrawn. The Evening Star and News, afternoon papers, had also been shut down.

The principal terms agreed upon tonight:

A \$6 weekly increase in the \$79 pay scale, retroactive to Feb. 7, when the old contract expired. Another \$1 will be granted Nov. 1.

## CABINET SHIFT

Moscow, April 13—(AP)—A new change in the Russian cabinet today relieved I. I. Malyshev as minister of geology and named P. A. Zakharov to succeed him.

## IKE IN GEORGIA

Augusta, Ga., April 13—(AP)—Gen. Dwight D. Eisenhower is taking a rest at the Eisenhower National Golf Club.

He flew here yesterday aboard the "Sacred Cow," the C-54 airplane formerly used by President Truman.

## Testifies Babich Made Advances To Pat Birmingham

Milwaukee, April 13—(AP)—A school chum's disclosures have supplied "a motive for murder" in the slaying of Patricia Birmingham, Dist. Atty. William McCauley said tonight.

McCauley said the evidence indicated that Milton Babich, 19, had made advances to 16-year-old Patricia and threatened to harm her if she told her sister, Kathleen, then 17, with whom Babich had been keeping company. Kathleen was pregnant.

Babich, charged with first degree murder, is alleged to have shot Patricia on Feb. 10 and dropped her body, weighted with concrete, in the Milwaukee river. Five weeks later he eloped with Kathleen. Babich told McCauley, the latter said, that the shooting was accidental but that he bought the gun to frighten the girl because she was making remarks about Kathleen's pregnancy.

Today, McCauley interviewed Carol Leszynski 16, Patricia's school chum. The district attorney said Carol told him that:

Patricia had come to her for advice about whether she should tell her sister Babich was "getting fresh" with her, and that Milton had threatened to harm her if she told. Patricia, Carol related, finally decided she would not go out with Babich again but she had a date with him the afternoon she disappeared.

## 23 Per Cent More Grain Fed Cattle Reported For 1949

Washington, April 13—(AP)—The agriculture department estimated today 23 per cent more cattle are on grain feed in the corn belt for the year than in 1948.

This increase was reported as about 480,000 head. It was said to reflect largely the fact that supplies of corn are much larger than a year ago and considerably cheaper.

The rise was called general in all of the corn belt states, with the western states showing somewhat larger increases than the eastern corn belt states.

The increases in the number of cattle on feed on April 1 over the like date a year ago by state included:

Ohio, Indiana, Michigan, and Iowa, 25 per cent; Illinois, 21, Wisconsin 15, Minnesota 28, Missouri 20, South Dakota 10, Nebraska 31, Kansas 30, with Colorado slightly up.

## Sewell Avery Left Alone To Manage Affairs Of Ward's

Chicago, April 13—(AP)—Sewell Avery was left alone at the top of Montgomery Ward and Company's operating management today.

The last of the company's vice-presidents, Willard Sahloff, handed in his resignation. In doing so he said, "the constant turmoil makes it impossible to work here."

Sahloff's walk-out followed that of three other vice-presidents in the past five days. A year ago the company had one president and nine vice-presidents. None is left.

Many of the men who resigned said they did so "reluctantly." One, who quit yesterday, said, "there is no more security (at Ward's) at present than there has been in the past."

The unprecedented top management exodus is believed to be based largely on personal differences with Avery.

Avery, chairman and iron-handed ruler of the nation's second largest retail merchandising firm, refused to comment on Sahloff's resignation. The 74-year-old executive, veteran of many a business battle, has held a strict silence throughout all the managerial uproar.

## Big Three Round Out Plans To Revive West Germany

Washington, April 13—(AP)—The United States, Britain and France today rounded out their plans to revive western Germany by lifting or relaxing restrictions on shipbuilding and numerous other industries.

Ignoring Soviet Russia, the three western powers ruled at the same time that 159 plants previously marked for removal from the country as reparations shall be retained to add 40 Germany's productive capacity.

The announced purposes are (1) to speed the day when the 45,000,000 Germans in the western occupation zones will be self-supporting and (2) to enable them to contribute more to general European revival.

In Berlin the three western military governors issued a statement saying the way had been cleared for re-establishment of the German merchant marine.

Today's action resulted from the general agreement on the postwar German tangle reached here last week by Secretary of State Acheson and the British and French foreign ministers. The overall settlement included also the offer of limited self-government, which the western

## House Passes Military Bill

### GROUP TO STUDY FATS, OILS PROBLEM

Washington, April 13—(AP)—Senator Gillette (D-Iowa) said today a Senate Agriculture subcommittee of which he is chairman will open a hearing next week on the fats and oils supply problem including current low prices for lard.

An announcement from his office said it is likely that the other subcommittee members will be Senators Lucas (D-Ill.), Holland (D-Fla.), Aiken (R-Vt.) and Young (R-N.D.).

## FBI Agent States Commie Party Was 'Behind Strikes'

New York, April 13—(AP)—An FBI agent today quoted a Michigan communist leader as saying the party was "behind all strikes, auto, steel, electric and meat."

The agent, Fred Cook, did not amplify the statement for a federal court jury at the conspiracy trial of 11 top American communist leaders.

He said Carl Winter, Michigan state communist party director and one of the trial defendants, made the statement at a meeting in Detroit in 1946.

An earlier witness told the jury that one of the main aims of the communist party in 1945 was to "kill the Roosevelt myth."

This witness, Frank S. Meyer of Woodstock, N. Y., did not explain what was meant by the phrase "Roosevelt myth."

Meyer added new details to the prosecution charge of a conspiracy beginning in 1945 to advocate violent overthrow of the government.

## Say Distributors Unfair In Firing Liquor Salesmen

Chicago, April 13—(AP)—The liquor and wine salesmen's union charged 38 Chicago wholesale liquor distributors today with unfair labor practices and coercion in the firing of 900 union salesmen.

The salesmen were dismissed Friday after striking in an effort to enforce their demands for higher commissions.

Joseph O'Neill, union president, said a criminal complaint was filed with the state's attorney's office. It charges the Illinois wholesale liquor dealers' association with threatening "economic retaliation" against non-member dealers "if they did not become a part of the conspiracy and lock out and discharge their salesmen."

Charges filed with the National Labor Relations Board allege:

"Discrimination in regard to tenure of employment to discourage membership in a labor organization; and

"Refusal to bargain collectively with the employees' representatives."

## WEDES AT 88 YEARS

Newburgh, N.Y., April 13—(AP)—At the ripe old age of 88, William Schumann has decided to take a bride.

Schumann said he will marry his housekeeper, 68-year-old Charlotte Sandstrom, Easter Sunday.

## APPOINTMENT CONFIRMED

Washington, April 13—(AP)—The nomination of Thomas C. Blaisdel, Jr., to be assistant secretary of commerce was confirmed tonight by the senate.

## Kathy Fiscus Gets Short, Beautiful Farewell Service

Alhambra, Calif., April 13—(AP)—Kathy Fiscus got a farewell today that was like her life—short and beautiful.

The minister thanked God for her: "Bless thee for the kindness goodness and gentle truth that passed into our lives from hers."

Seven hundred mourners, beside relatives, filed past Kathy's blue plush casket. More than half had stood outside in a warm sun, hearing the funeral service over loudspeakers.

They symbolized the world-wide sorrow expressed for 3-year-old Kathy after she fell 92 feet down a 14-inch pipe last Friday in nearby San Marino. There were men and women bent with age; boys in faded jeans; and tots Kathy's age in their mothers' arms.

Up front in the crowded, flower-banked chapel were 13 of the workmen heroes who raced death for 52 hours in vain to bring her out of the pipe alive.

## ROYALTY TO RETIRE

Washington, April 13—(AP)—The Washington Post says the retirement of Secretary of the Army Royall is reported to be imminent. President Truman, it is said, will accept Royall's resignation before the end of this week.

The Academie Francaise was founded by Cardinal Richelieu in 1635.

## WEATHER

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Wednesday as follows: High, 80; low, 46; and at 6 p.m., 72. Forecast for Illinois—Thursday mostly cloudy with rain overspreading state.

## GEORGIA VOTES DOWN SCHOOL TAX BOOST

Under proposed federal aid to education the state of Georgia would get approximately 15 million dollars a year from the U. S. That money would come from more prosperous states like Illinois, California and New York. The balance between what Illinois would pay in and what she would receive back in federal aid would more than pay the 15 million Georgia would get.

Yet the people of Georgia Tuesday voted approximately 3 to 1 against an increase in state taxes for school purposes. The Georgia proposal would have boosted school taxes 50 per cent and over-all taxes 42 per cent.

Georgia is now spending 1.80 per cent of the national income payments on education as compared with 2.63 per cent for Montana, 2.54 for Minnesota, 2.36 for Idaho and 2.24 for Iowa.

It may be that the school finance problem can be handled better in Georgia on a local basis than on a statewide tax base. That could have figured in the result. But it is difficult to convince the people of Illinois that they should help finance the schools of Georgia until Georgia does her best to help herself.

## CURB SERVICE

11 A.M. till MIDNIGHT  
THE JULIENNE  
Dunlap Court

## BLUE RIBBON 4-H

CLUB NAMES OFFICERS

Officers of the Blue Ribbon 4-H club are Doris Albers, president; Donald Schone, vice president; Emily Schone, secretary-treasurer;

Wanda Siegemann, reporter; and Henry Brown and Harlan Schone, first and second alternates. The meeting was held at the home of Frank Chambers. Refreshments were served.

## To Be Wed

DOROTHY EDWARDS

Mrs. Lemar D. Edwards of Springfield, formerly of this city, has announced the approaching marriage of her daughter, Dorothy Jean, to Scott F. McDonald, son of Mr. and Mrs. Homer S. McDonald, 535 Reed street.

The wedding will take place at Central Christian church on Sunday, May 22.

An English doctor is said to require a clientele of 1400 to 1500 patients to earn a fair living.

## A PROFESSOR GOES TO POLITICS

BY THOMAS F. MITCHELL

(Editor's Note: This is the second article by Mr. Mitchell on candidates for mayor in next Tuesday's election. An article on Ernest L. Hoagland, Republican, appeared yesterday.)

John S. Wright, doctor of philosophy and professor of history and government, was completely at ease behind his desk at Illinois College. He pulled out his pipe and, while filling it, he remarked, "I guess we should start at the beginning. I was born in Oklahoma in 1910."

He lit the pipe and settled his long, lanky frame more comfortably in the chair. His boyish smile contrasted with the white hairs around his temple.

It was obvious that Wright was in good physical condition, and he credited this to his being what he called "a bicycle and bus man." Remarkable on this he said, "I only use the bus when for some reason I can't travel by bike, and as a bicyclist I'm especially sensitive to the condition of the city's streets."

This turned the subject to politics, and as the Democratic candidate for mayor, Wright had quite a bit to say on the subject.

Dr. Wright was born a Democrat. His father was in the clothing business in Oklahoma when Wright was born, but returned to Newton, Ill., to establish himself as a banker. Meanwhile, Mrs. Wright set the goal for her son and was employed as a school teacher.

After graduating from Newton High school and entering Blackburn College, Wright briefly returned to Oklahoma to work at harvest time. He attended Blackburn for two years and then transferred to the University of Illinois, where he received his bachelors and master's degrees. He then attended John Hopkins University one summer and was awarded a doctor's degree from the University of Chicago in 1946.

During the war years, Wright served with the highly secret Signal Intelligence, an organization in which all personnel had to be thoroughly investigated by the Federal Bureau of Investigation before appointment. Wright volunteered for army service before he was drafted and rose from a private to a captain, specializing in code analysis with the Signal Intelligence.

He assisted in the planning of several campaigns and served in North Africa, Italy and England. Wright was assigned to the Fifth Army from Naples until V-E day.

Like Ernest L. Hoagland, the Republican candidate for mayor, Wright has had some journalistic experience. While in high school, he worked on the Newton newspaper, and before securing employment at Newton High school, he worked as an abstractor.

Came to I. C. in 1938 Wright continued as a teacher at the high school until 1938 when he joined the Illinois College faculty. In 1940 he campaigned successfully in Morgan county for the national candidates, especially representing Jim Barnes, who was re-elected, but because of the press of congressional business was unable to campaign himself.

Last fall, Dr. Wright took part in the Democratic state campaign, supporting Gov. Adlai Stevenson and Senator Paul Douglas.

When questioned as to his personal view of politics, Wright replied that he saw it as a civic duty, just as important, if not more so, than the Community Chest, Red Cross, or youth clubs. He expressed the opinion that "if more people would get into politics it would progress to a higher plane."

Wright said he was asked to run for the office of mayor by the Democratic City Committee, and since his wife, Lucille, whom he terms "a pretty good politician," had no objections, he filed for the office.

He said he is enjoying the campaign tremendously, although he is

handicapped by a lack of finances.

That the question of finances plays a big part with the Wrights may be seen not only from the "bicycle and bus" statement, but also from Wright's statement of his spare time occupation. When asked what his hobby is, Wright replied that he spent his spare time gardening at his home at 212 Sandusky street.

"Vegetable gardening—that is, And with three hearty eating sons, I find it more a necessity than a hobby."

The bounding, healthy Wright boys, Tom, seven years old, Roy, three years old, and John, one year old, keep their parents busy. Mrs. Wright, whom Wright married in 1939, was formerly a school teacher at Newton high school while Wright was teaching there.

She first ran into politics, when unknown to him, Wright was being petitioned for Congressman from Greene County in 1946, after he got back from the service.

Wright has several specific programs to propose if he is elected to the office of mayor of Jacksonville.

"I'm primarily interested," he said, "in getting the light, water and sewer departments out of politics by installation of the merit system and some re-organized form of management."

By a reorganized form of management, Wright means to establish a business manager for all the utilities and to place the control of the utilities under such a manager instead of the operating heads as at present. He believes this will create a savings in purchasing for the utilities, in simplified collection of city utility bills, and in an operation nearer the maximum of all utilities.

There would also be under such system, according to Wright, a more aggressive selling of utility services. The total in savings and gains could then be used, Wright said, to pay off the municipal bonds that much sooner and reduce the rates.

Dr. Wright believes that if a merit board system could be established for utility workers for one term it would become a tradition which would greatly benefit the city. He is also in favor of a municipal garbage collection, including, in some way, the present private collectors in the new scheme. Dr. Wright believes such a collection system should be extended over the city, primarily as a health measure. He declared that many cities the size of Jacksonville had such a system and that if a thorough system was undertaken, such a system could be brought to the city.

Also wants Milk Ordinance. As to a health measure, Wright is advocating an extension of the sewage system and a city milk ordinance. He pointed out the present low milk standards in the city, and the fact that some milk comes into the city from out-lying cities which will not permit its sale there because of their local ordinances. According to Wright's proposed program, the initial city milk ordinance would be fairly easy to comply with and over a length of time would become more rigid. He said the local dairies would benefit by elimination of rumors of the unsanitary conditions of their products, and would also benefit in the long run, by providing their consumers with standard tested milk.

Aside from these programs, Wright has no specific plans to carry through if he is elected. In regard to change of help with a new administration, he said, "I don't contemplate many changes in personnel." Wright believes either his or Hoagland's new administration will be non-partisan since he expects that after the election this April 19 the council will consist of four Democratic aldermen and four Republican aldermen. Under such circumstances, he believes now is the time for a non-partisan move-

ment to get city business out of politics.

## Seeks Independent Support

He said he sought "the same type of non-partisan, independent support that Governor Adlai Stevenson received last fall." Wright said he feels he has the same kind of program that the independents supported in the state last fall.

But regardless of the outcome of the campaign, Professor Wright, who is a member of the Congregational church, the American Legion, the Optimist Club, and the Reserve Officers Association, said he would like to remain active in politics.

"Only intelligent youth has the politics of our country any great future," he said, "and I would like to be along to guide them as I may." Many students at Illinois College have accepted his guidance already and are actively campaigning for Wright.

## Roy Dugger Dies Here Wednesday

White Hall—Roy Dugger of White Hall died suddenly Wednesday at 9 a. m. at Our Saviour's hospital, following a six weeks illness. He had been at the hospital since March 27. An autopsy was to be performed later in the day.

Mr. Dugger is survived by his wife, Alma Pembroke Dugger; one daughter, Mrs. Geneva Parks of Alton; two brothers, Fred Dugger of Jacksonville and Herbert Dugger of White Hall; and two sisters, Mrs. Addie Clark of Scottville and Mrs. Ruth Arnold of Springfield.

He was preceded in death by one son, Lyndell Ray.

The body is at the Mackey Funeral Home in Roodhouse.

## County Savings Bond Quota To Be \$311,000

A quota of \$311,000 in Series E U. S. Savings Bonds has been set for Morgan county in the "Opportunity" Savings Bonds campaign to be held May 16 through June 30, it was announced Wednesday by Francis R. Rantz of this city, chairman of the Morgan County Savings Bonds committee.

Arnold J. Rauen, state director, U. S. Treasury Savings Bonds Division for Illinois, said the Illinois quota will be \$89,000,000 and the national quota \$1,040,000,000.

"Put more opportunity in your future" and "Be a Modern 49er" will be two slogans in the drive. The campaign will be held to increase interest among the public in the value of investing in U. S. Savings Bonds, Rauen said. Hundreds of volunteers in this county, will hold person-to-person solicitations. Appeal will be made to the individual's own interest, his future economic state, and to increase his ability to take advantage of future opportunities when they arise.

Sales of Savings Bonds will be stimulated through the Payroll Savings Plan where one works through banks and other financial institutions on the Bond-a-Month Plan and at post offices.

The custom of wearing rings was transmitted by the Greeks and Etruscans to the Romans.

Wedding rings were set with gems during the Middle Ages and the Renaissance.

## ARTHRITIS RHEUMATISM

## SUFFERERS!

From the medical "center" of the United States, St. Louis, Mo., comes to you this amazing RELIEF tablet that is being prescribed by a prominent physician. TRIACIN—The original ENTERIC coated tablet that cuts down "poison" and gives you that SPEEDY, magic-like relief so necessary for you to resume a happy, normal life. Why not cut suffering the dull, agonizing aches and crippling pains of RHEUMATISM, ARTHRITIS, GOUT, GRAVEL, NEURITIS, LUMBAGO and similar muscular aches—by starting at once, the SAFE and easy way. TRIACIN is the convenient tablet that is used by thousands.

Take advantage of our money back guarantee—RELIEF or your MONEY BACK. Don't wait another day. Right now tear out this message, show it to your DRUGGIST and get down a genuine TRIACIN TABLET, that will give you the fast relief you want. You must be completely SATISFIED or your MONEY BACK.

TRIACIN COMPANY  
ST. LOUIS, MO.

SOLD AT  
MACE'S DRUG STORE  
JACKSONVILLE, ILLINOIS.

Funeral services will be held Sunday afternoon at 2:30 at the First Baptist church with the Rev. L. D. Gregory and the Rev. Elmer Johnson officiating. Burial will be in White Hall cemetery.

## RETURN FROM ATTENDING P.T.A. MEET IN CHICAGO

Mrs. Ben Beerup and Mrs. Bert Elliott have returned from attending the 47th annual P.T.A. convention held at the Palmer House in Chicago. They represented the Jefferson P.T.A., of which Mrs. Beerup is president.

**RED WRITER GETS REPRIMAND FOR RADIO**  
Bern, Switzerland — (AP) — The management of the government-controlled radio station at Basel has been "severely reprimanded" for hiring a former Communist editor to write radio plays for children, the Swiss Federal Council announced.  
Radio Basel hired Peter Hirsch, former editor of the Communist paper, "Vorwaerts," to write a series of plays entitled "The Voyages of Great Discoverers" and a serial on the adventures of Robin Hood.  
Dr. Joseph Conrad, member of parliament of the Catholic-Conservative Party, protested to the Federal Council against the employment of a Communist author by the state and "entirely non-political."  
In a parliamentary reply to Dr. Conrad, the Federal Council said those responsible for hiring Hirsch had been severely reprimanded and all radio writers would be "very carefully selected" in future.

**ALERT POLICE GET THE BIRD**  
Evanston, Ill. — (AP) — Dale Stemple, a private watchman, was making his nightly rounds. He saw a curtain move in a house. That was suspicious because the owner was out of town. Stemple hailed a passing squad car. He and two officers, guns drawn, stole up to the house and peered in. They stared into the large blinking eyes of an owl.

## PRISCILLA'S POP

By AL VERMEER

## STEVE CANYON

By MILTON CANIFF

### 5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly—here's how you can stop!

Because 5 New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it. So can you.

Stop taking whatever you now take. Instead: Every night for one week take 2 Carter's Pills. Second week—one each night. Third week—one every other night. Then—nothing! Every day: drink eight glasses of water; set a definite time for regularity.

Five New York doctors proved this plan can break the laxative habit.

How can a laxative break the laxative habit? Because Carter's Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carter's Pills contain no habit-forming drugs.

Break the laxative habit... with Carter's Pills... and be regular naturally!

When worry, overeating, overwork make you irregular temporarily—take Carter's Pills temporarily. And never get the laxative habit. Get Carter's Pills at any drugstore for 34¢ today. You'll be grateful the rest of your life.

### Snow Slows Down Blind Singer

Denver—(AP)—Chuck Collins doesn't have much use for snow. But not for the same reason you or I.

Get a Permanent Wave and have your hair styled with that NEW LOOK at

FLONNIE'S BEAUTY SHOP  
2371 W. State St. Phone 439

**RADIATORS**  
Cleaning, Repairing, Recoring  
Welborn Electric Co.  
232 West Court Street

might dislike the chilly stuff. Collins, a radio singer and pianist, is blind. Most of the time he makes his way around town nicely without the help of seeing-eye dog or the white cane of the unseeing.

His ears are his guides. Simply by snapping his fingers, and listening to the changing echoes of sound in the street or bending an ear to the clicking of his leather heels, Collins says he can sense the presence of obstacles nearby.

But snow deadens sounds or makes them trickier to analyze. Collins completely sightless for 33 of his 38 years, says he knows if an automobile is parked at the curb; when he is approaching a telephone pole or a wall or another pedestrian.

Collins helped earn his way to a political science degree at Idaho University by tuning pianos. For 11 years he sang in Seattle and Hollywood, with dance bands and then over the air.

Collins now has a five-a-week show—"Chuck Collins Calling"—of

songs and patter over station KOA and KMYR.

### COURT RECOGNIZES MOTHER-IN-LAW TROUBLE

Stockholm—(AP)—Mothers-in-law may have a bad influence. A harassed husband in Jönköping, in southern Sweden, has a court verdict to prove it.

The husband had lived happily with his wife for three years when his mother-in-law moved in on the couple.

The man changed completely. He burgled cellar stores, forged a bank document, embezzled \$400 from a brewery, and finally landed in court.

The husband pleaded guilty and was sentenced to eight months hard labor. However, the sentence was suspended after the man's attorney told the bitter truth: the mother-in-law had moved into the same room with the couple.

## Fate Of Film Stars Of Bygone Days Is Traced

By Bob Thomas

What has happened to the Glenn Ford and the Ava Gardner of yesterday, the men and women who fame has touched and then has left behind?

Recently AP Foreign Analyst DeWitt McKenzie presented me with a list of his oldtime movie favorites and asked what has happened to them. Herewith are my findings about them, as well as some others who slipped from stardom:

Gloria Swanson and Eric Von Stroheim, once great feeders, are back in Hollywood to do a picture together. She has been dabbling in television and he has acted in France. Sessue Hayakawa, another recent resident of France, and Ramon Novarro, lately a real estate man, have also made recent film comebacks.

Pola Negri and Mae Murray were recently in town, trying to peddle their memoirs to the studios. Beverly Bayne has been doing parts on the New York stage. Her former husband and co-star, Francis X. Bushman, acts in radio soap operas in Hollywood.

Billie Dove Beautiful As Ever  
Billie Dove is married to socialite Robert Kenaston. She lives here, and friends say she is as beautiful

as ever. After a session as a producer here, Bobe Daniels has returned to England, where husband Ben Lyon is an executive for 20th Fox.

Charles Farrell operates the Palm Spring Racquet club, favorite resort for the movie crowd. His former co-star, Janet Gaynor, is retired and married to Designer Gilbert Adrian.

William Haines, Mary Miles Minter, Jetta Goudal and Gloria Stuart have all gone in for interior decorating business in this area. Reginald Denry has made his hobby pay off; he runs a model airplane business.

Clara Kimball Young is retired and lives alone in a Hollywood bungalow. Maurice Costello and his daughter Helene live at the Motion Picture Country home and he does occasional bit roles. Dolores

Costello, once wed to John Barrymore, is now married to a Los Angeles doctor.

Chester Conklin, Mae Marsh, Matt and Tom Moore, Anna Q. Nilsson, Jack Mulhall, William Farnum, Alice White and Gertrude Michael do bit parts in pictures.

### Married And Retired

Among the former film queens who have married and retired are: Theda Bara to Director Charles Brabin; Corinne Griffith to the Washington Redskins' George Marshall; Marian Nixon to Director Bill Senter; Laura LaPlante to Irving Asher, MGM official in London; Ann Harding to Conductor Werner Janssen; Louise Fazenda to Producer Hal Willis.

Clara Bow and Rex Bell live on a Nevada ranch. Colleen Moore is wealthy and retired in Chicago. Rod

LaRogue is a real estate man here. Nils Asther is a civil service delivery clerk, earning \$1 an hour.

Tim McCoy is making westerns for television. Buster Keaton is a gag man and actor at MGM; Monte Blue does character parts at Warners.

Ralph Graves and Sally Eilers were recently making acting comebacks. Norma Talmadge is married to a Las Vegas doctor and Constance to a New York broker. Taylor Holmes does character roles on the stage and screen. Sue Carol became an agent and managed her husband to fame. His name: Alan Ladd.

From where I sit... by Joe Marsh

### There'll Always Be a "Gawker"

"Harry the Hermit," as he's called, came into town last week and, as usual, caused quite a stir. He looks like a cross between Santa Claus and Daniel Boone.

We had a friendly glass of beer together and I asked him, "Don't you ever get annoyed at the way some people laugh and stare as you go by?" "Shucks no," Harry says. "Only while they're laughin' at me, I'm feelin' a mite sorry for them. Imagine—folks so ungrateful they can't see I'm really just the same as they are underneath."

From where I sit, Harry's a lot more "civilized" than the people who make fun of him. He's contented, lives the way he believes is right without harming anyone—and what's more, he's tolerant of others whose tastes in living are different from his.

Maybe we all don't look the same, or act the same, or eat or drink the same, but in a free country, why should we?

Joe Marsh

### Winchester Girl Winner Of Woman's Club Essay Contest

Winchester — Colleen Robinson, daughter of Mr. and Mrs. Fred Robinson of Winchester, was proclaimed winner of an essay contest conducted by the Illinois Federation of Woman's Clubs at the annual meeting of the 20th District held in Petersburg, Illinois, on April 6. The contest was open to high school seniors throughout the 20th district which includes 10 counties and sixty clubs. Miss Robinson's essay, written on "Why I Am Proud to be an American" was the sole winner out of more than 100 entries. Mrs. Oren Robertson, president of the Winchester Woman's Club, presented the award to Miss Robinson at a high school assembly in Winchester April 7.

The Board of Education of Community Unit School District No. 1, Scott County, held its reorganization meeting, following the Board election on Monday evening, April 11, in the Board of Education office. Mrs. Mazy C. Smith was reelected by the members as president of the board and Clarence F. Wilson was again named secretary. The two members reelected for a three-year term were Harold Oakes of Bluffs and Wes Andell of the Pleasant precinct. M. F. Fullmer has been re-employed by the board as administrator of the unit system.

#### SPECIAL PLATFORM FROM POLICE

Chicago—(P)—Patrick Devine, a traffic cop, saw the woman every afternoon. She was on crutches. She struggled out into Wabash Ave. at Ninth St., and pulled herself aboard a streetcar.

There must be an easier way to get up those steps, Devine thought. He found some pieces of lumber and a scrap of rubber matting and built a platform. Now, when he sees the crippled lady coming, he places the ramp in the street and she hobbles onto the car.

## Grover C. Grady Dies At Hospital Here Wednesday

Grover C. Grady, 326 South Diamond street, died Wednesday at 8:15 a.m. at Our Saviour's hospital, following an illness of three weeks.

Mr. Grady was born in Brown county on Feb. 4, 1886, the son of John and Louann Newell Grady. He was married to Louise Keemer on Dec. 1, 1917. To this union a son, Maurice, was born. Mrs. Grady died in February of 1919.

On July 10, 1926, Mr. Grady was married to Nolle Quigg of Beardstown. She survives, together with the son, Maurice, and the following brothers and sisters: Mrs. Rose Carey of Jacksonville, Ray Grady of Jacksonville, Kelly Grady of Chapin and Mrs. Marie Sherman of Kalamazoo, Mich.

The decedent was a member of the Virginia Methodist church and the Moose Lodge at Jacksonville.

The body is at the Gillham Funeral Home, where services will be held Friday at 3:30 p.m., with the Rev. H. F. Higgins of the Virginia Methodist church officiating.

The family will receive friends at the funeral home Thursday evening from 7 to 9 o'clock.

**GARDEN CLUB**  
Mabel Hall Goltra, 1545 Mound avenue, invites Garden Club members to visit her garden.

## ATTEND CANCER SYMPOSIUM

Among physicians who attended the seventh cancer symposium of the Illinois Division, American Cancer Society, in Chicago last week, were Dr. James Rutledge of Pittsfield and Dr. Mary Louise Newman of Jacksonville. They are pictured while conversing before one of the sessions. The photograph was taken by a representative of the Illinois Division of American Cancer Society, Inc.

This type of meeting, at which doctors gain knowledge of the most recent methods of cancer diagnosis and treatment from prominent specialists, is part of the Society's vast program of research, education and service for which it is seeking \$1,150,000 in Illinois this month. The campaign for funds is now in progress in Morgan county.

Under the program the annual cancer symposiums are limited to attendance by two physicians from each downstate county. Last year Dr. Robert Hartman was the Morgan county representative. At the symposium this year sessions were held at Northwestern, Loyola and Chicago universities, Murphy hospital and the U. of I. As a result of the symposiums great strides are made in the fight against cancer by the medical profession and the public.

Thomas Paine's famous pamphlet, "Common Sense", was published Jan. 10, 1776.

## Mrs. Mary Dugger, Scottville Woman, Dies At Home

Waverly—Mrs. Mary M. Dugger, widow of Eager A. Dugger died Monday at 8 p.m. at her home in Scottville. She was born Dec. 17, 1861, the daughter of George and Anna Hewitt.

She is survived by two sons, Galen and Wendell of Scottville and three daughters, Mrs. Velma Gordley of Chatham, Mrs. Alice Catlett and Mrs. Carmer Kautz, both of Colorado Springs, Colorado, and several grandchildren.

Funeral services will be conducted Thursday afternoon at 2 o'clock at the Methodist church in Scottville, with the Rev. Willard Meskendieb officiating. Burial will be in the Panther Creek cemetery east of Scottville.

## List Changes In Theatre Personnel

B. M. Montee, city manager of the Fox theaters, has announced that Delbert Stoddard, assistant manager at the Illinois theater, has been promoted to house manager at the Plaza theater in Mt. Vernon. Stoddard, who is the son of Mr. and Mrs. Homer Stoddard, 857 North Prairie street, will leave Thursday.

Harold Sorrell, manager at the Majestic, will return to the Illinois theater as house manager and John Brummett, doorman at the Times, will become house manager at the Majestic.

## ROGER THE LODGER

By Elizabeth R. Roberts

THE STORY: Mr. and Mrs. Roberts take in problems as well as lodgers when they attempt to relieve the wartime housing shortage in Great Falls, Mont. Chief problem is Roger, who invites unexpected guests to dinner and smashes up the Roberts' car. But Mrs. Roberts, undaunted, rents her maid's apartment in the basement to Captain Dick Morgan and his wife, Betty, who have a small baby.

AS Betty settled herself in the new apartment, it occurred to me that we hadn't discussed terms. I telephoned the OPA, having no idea what would be reasonable to charge, and soon a representative appeared. The young people said they'd be glad to pay anything up to \$100 a month and I felt that since they were cooking and would use my irreplaceable laundry equipment, they should pay more than the \$25 which mere roomers had paid. With the help of the OPA, we settled on \$40 a month. Since Mr. Apton was on the job, I had him check rates on Bill's room and the guest room. He agreed that \$30 for a single room and \$40 for a double with connecting bath was about right. I felt very professional now that our prices were approved.

From our experience with the Morgans, we learned two new things to be feared: cooking on a laundry stove and baby sitters. I knew that sound rose, and I spent a minute or two wondering just how homesick Roger might become—though it was hard to imagine him a father—when baby squalls rose from the basement bedroom to his room two floors above. "Never mind about Roger," my good fairy should have said. "Think of yourself. Smells rise, too." I won't say that Betty cooked Eyetalian spaghetti three times a day; that would be hyperbole. For breakfast, she scorched eggs. Every zephyr that blew picked up those aromas as they were brewed on the gas plate and wafted them from the open window in the laundry, up two stories, and into my open windows. Caron should consider homey scents in the manufacture of perfume, for there are people who prefer them to Moment Supreme. I knew one such woman, and where there's one, there must be more. She inquired of the saleswoman behind the toiletries counter what was new in perfume. The clerk mentioned Grass and Hay as being new and popular.

"Thank goodness!" exclaimed the woman. "Who wants to go around smelling like a Night of Love?" But it's a choice of reeking of browning onions, bacon fat, chilies, and burning eggs; or of Danger, or Stop, or Black Desire, gimme the erotic label. I used to enjoy Italian spaghetti; now I get hay fever at the mention of the name.

BABY sitters were something else again; it was ears, not nose, that had to get accustomed to them. We returned from the Club to finish the evening at the Annex and were greeted by sounds of a dance band in our basement. Roger tuned in to a station for music, but his and the one that was already sounding out did not gee; two dance bands in one small house is one band too many. I listened at the head of the stairs. I judged there must be at least six girls and as many boys.

I walked down the stairs wondering how I could justify the fact that whereas we were dancing upstairs, the children might not have the same privilege in the basement. My intrusion was met with cold stares. I had been right; there were a dozen flaming youths jitterbugging. Since they didn't choose to notice my appearance at their party, I walked over to the radio and turned it down so I could make myself heard. "Which one of you is the girl Mrs. Morgan hired?"

Uneasy glances from several of the children directed at one of the

girls identified her as the sitter. "Did Mrs. Morgan tell you you could have a party here tonight?" I asked.

"She didn't say I couldn't," she ground out.

"Well, I'm home and I'll take care of the baby," I said. "You may go now."

"The longer I stay, the more money I get."

"I'll pay you for an extra hour, but I want you to go now." Some of the children stirred uneasily. The sitter stood her ground. "Mrs. Morgan hired me and I only take orders from her."

"VERY well. You stay, but your friends will have to go."

"Mrs. Morgan didn't say so."

I felt my neck getting red and hot. "This is my house," I said. "You may stay and watch over the baby if you like, but your friends will have to go."

Several of the children edged toward the stairs.

"Don't go!" the sitter commanded. "I'm hired to work here and I got a right to have my friends in."

I don't know which of us would have been carried out on the shutter if the Morgans hadn't appeared at this crisis.

I returned upstairs boiling in the certain knowledge that in the opinion of a dozen kids and two adults I was not the owner of the house at all, but Yer Old Ant Emmer and a buttinsky to boot.

Later, I explained to the Morgans that there wasn't anything fair about it, I realized that, but since this was our house, Mr. Roberts said we'd do anything we liked in it and that the same privilege would not extend to our lodgers.

Dick agreed but Betty was troubled. She said it was hard enough to find sitters—if she couldn't use high school girls, she didn't see how she'd ever get out. I admitted it was tough, but held to it that we couldn't have gangs of children turned loose in the house. Betty said she'd try to get a woman next time.

She got one. The woman arrived alone and remained alone; she didn't need to have friends in to entertain her. She had me.

(To Be Continued)

## Birthday Dinner At New Berlin

Manchester—A birthday dinner honoring Mrs. Junior Hayes and Mrs. John Blakeman, Sr., was given Sunday at the home of Mr. and Mrs. John Blakeman, Jr., in New Berlin. Guests were Mr. and Mrs. Junior Hayes, Mr. and Mrs. John Blakeman, Jr., and daughter, Mr. and Mrs. Roland Scott and family of Shipman, Mrs. Florence Tendick of Jacksonville, Miss Doris Hayes of Jacksonville, and Luther Hornbeck of Winchester.

Women owned an estimated \$40 billion worth of life insurance at the end of 1947.

## Park Golf Course To Be Opened Saturday

The golf season at Nichols park will get under way Saturday, April 16, when the course will be opened officially. With the greens in excellent condition and a large number of golfers in the mood for action, a busy and successful season is in prospect at the course.

A new golf committee for the year has been appointed by the park board. The committee consists of Joe Fisher, chairman; Harold L. Stangel, Robert Neff, Chick Reynolds, William Norvell and Richard Kennedy.

Don Fairfield will begin his second season as golf professional at the park. Players should report at the golf club house, north of the swimming pool, before starting over the course.

Russell Kelley, park superintendent, said a number of players have been practicing during the last few weeks. They are enthusiastic over the course, which has been put into fine condition for the opening of the season.

The opening of the park proper will not take place until May 1. New

equipment for the playground has arrived and will be installed soon. Picnic tables and other park facilities will be in readiness by May 1.

## Social Events

### YWS Club Plans To Hold Annual May Luncheon

Plans for the annual May luncheon were made by the Y.W.S. club at its meeting held at the home of Mrs. Floyd Hess. Mrs. Elmer Roeger and Mrs. Rollin Martin were appointed to serve on the committee in charge of this event.

During the business session, donations of five dollars each were voted for the Red Cross, Cancer Control and the Crippled Children's Fund.

Court whist was played during the social period. Prizes were won by Mrs. John Hadden and Mrs. Adolph Werries.

Mrs. Rex Ranson was a guest. The assistant hostess was Mrs. J. D. Sandage.

### Moose Auxiliary Holds Family Night Supper

The Moose Auxiliary held its monthly family night potluck supper Tuesday at the Moose hall with a good attendance.

Following the supper, nine tables of bunco were played by the ladies. Prizes were won by Mrs. Mary Pappas, Mrs. Velma Bek, Mrs. Lucille Kieley, Mrs. Elba Thompson and Mrs. Dickson.

It was announced that a class would be initiated at the next regular meeting Tuesday at 7:30 p. m. in the Moose hall. All officers, escorts, guides and committee chairmen are asked to be at the Moose hall Monday evening to drill for the initiation.

Hostesses at the meeting were Loreta Fernandez, Mrs. Paul Byus, Mrs. Carl Sandberg and Mrs. Oils Ganger.

### Officers Elected at Circle Meeting Tuesday Afternoon

Officers were elected by Circle Four of Grace Methodist church at its meeting held Tuesday afternoon at the home of Mrs. Cass Hamm, 921 West State street.

Those chosen were Mrs. Gaston Foote, president; Mrs. John Taylor, vice president; Mrs. Ben Lane, treasurer; and Mrs. Frank DeSollar, secretary.

A brief business session was held, with the retiring president, Mrs. Fletcher J. Blackburn, presiding. Devotions were led by Mrs. Theodore Pierce. Mrs. Foote presented the lesson study.

At the close of the meeting, refreshments were served with Mrs. Hubert Littler, Mrs. Rex Ranson and Mrs. Wilber Jeffries acting as hostesses.

## Communion To Be Held Friday At Centenary

Centenary Methodist church will observe Good Friday by having a self-served Communion service. The custom was started when the Dr. M. M. Blair was minister of this church and has been observed every Good Friday.

The church doors will be open at 9 a. m. and will remain open until 7 p. m. During this time the public is invited to come into the sanctuary and partake in Holy Communion. There will be meditation guides on the table in the rear of the sanctuary.

## Fire On Bluffs Farm Results In \$2,000 Damages

Damages estimated at more than \$2,000 was sustained by Earl Rahe when a shed on his farm, four miles east of Bluffs, was completely destroyed by fire early Tuesday morning.

A hammer mill, an electric saw, an electric motor and other valuable tools, as well as some seed corn and clover seed stored in the shed were included in the loss.

Friends and neighbors and members of the Bluffs volunteer fire department arrived at the scene shortly after the blaze was discovered by Mrs. Rahe.

Through their efforts the damage was confined to the shed, although the house and other buildings were threatened. The heat from the shed, which was located directly behind the house, caused the paint on the rear and a portion of one side of the house to be badly charred. A fence, about six feet to the side of the house, was demolished.

The origin of the fire is not known. The damage was partially covered by insurance.

## Births

Mr. and Mrs. Walter Peters, 616 North Church street, are parents of a son born Tuesday at 9:48 a. m. at Our Saviour's hospital. The weight was six pounds, three and one fourth ounces.

Mr. and Mrs. Kenneth Pennington of Bluffs are parents of a son born Wednesday at 12:30 a. m. at Passavant hospital.

A daughter was born to Mr. and Mrs. Estell Jackson, 452 Eby street, Wednesday at 8:22 a. m. at Passavant hospital.

A machine gun was first fired from an airplane in 1912.

## School For The Deaf Trackmen Dump J.H.S. Thinclads In Dual Meet

Art Yates' Illinois School For the Deaf Track team defeated the Jacksonville High thinclads 66 to 52, in a dual meet held on the J.H.S. track Wednesday afternoon.

There were several outstanding performances in the meet, with Carlstedt walking away with scoring honors, with first places in the high hurdles, 440 yard dash, and shot put, and a tie for third in the high jump. Raffel was a double winner in the 100 yard dash and the 220, and a second place in the broad jump.

Henry Jackson was the only double winner for the Wimberly-coached team, his victories coming in the mile and half mile runs.

I.S.D. and J.H.S. both took six first places, but the west enders came thru with the deciding seconds and thirds.

**Summaries:**  
120 yd. high hurdles: Carlstedt, I.S.D., 1st. Merriman, J.S.D., 2nd.; Busey, J., 3rd. Time, 18.2 sec.  
100 yd. dash: Raffel, I.S.D., 1st.; Whitacre, J., 2nd.; Hood, I.S.D., 3rd. Time, 11.1 sec.

Mile run: Jackson, J., 1st.; Yates, I.S.D., 2nd.; Broadbus, J., 3rd. Time, 5:07.2.

440 yd. dash: Carlstedt, I.S.D., 1st. Cannon, J., 2nd.; Helmersen, I.S.D., 3rd. Time, 57.1 sec.

220 yd. low hurdles: Merriman, I.S.D., 1st.; Yates, I.S.D., 2nd.; Antle, J., 3rd. Time, 26.7 sec.

880 yd. run: Jackson, J., 1st.; Yates, I.S.D., 2nd.; White, I.S.D., 3rd. Time, 2:22.2.

220 yd. dash: Raffel, I.S.D., 1st.; Whitacre, J., 2nd.; Helmersen, I.S.D., 3rd. Time, 23.6 sec.

Shot put: Carlstedt, I.S.D., 1st.; Liedberg, I.S.D., 2nd.; Tuchman, I.S.D., 3rd. Distance, 42 ft. 7 in.

Pole vault: Butcher, J., 1st.; Meyer, J., 2nd.; Kemp, J., and Early, I.S.D., tie for third. Height 10 ft.

Discus: Walker, J., 1st.; Liedberg, I.S.D., 2nd.; Kwiat, I.S.D., 3rd. Distance, 116 ft. 5 in.

Broad jump: Whitacre, J., 1st.; Raffel, I.S.D., 2nd.; Pearson, J., 3rd. Distance, 18 ft. 8 in.

High jump: Runkel, J., 1st.; Hood, I.S.D., 2nd.; Carlstedt, I.S.D., 3rd. Height 5 ft. 4 in.

Jacksonville won the freshman-sophomore relay, and I.S.D. won the 880 yard varsity relay.

**WALK WITH LOADED BASES GIVES CARDS 3-2 WIN OVER CUBS**

Houston, Tex., April 13 — (P) — Catcher Joe Garagiola drew a walk with the bases loaded in the last of the 13th inning today to give the St. Louis Cardinals a 3 to 2 decision over the Chicago Cubs.

The Cardinals had taken a two run lead in the first inning but an in-the-park homer by pinch hitter Forrest Burgess tied the count at 2-2 in the ninth.

Jess Dobneric was the losing Cub pitcher. The winning pitcher was Gerald Staley.

**Giants Murder Indians 16 To 6**

Knoxville, Tenn., April 13 — (P) — The New York Giants figuratively murdered Steve Gromek today as they pounded out a 16 to 6 victory over the world champion Cleveland Indians.

Gromek's righthanded offerings were patted for eight hits, including four home runs, in the second inning. Before Mike Garcia warmed up and came to the rescue the Giants had scored ten runs.

The Indians peeked away at Sheldon Jones, the Giants' starting hurler, getting six runs in the first five innings. Hank Behrman relieved Clevelanders cold.

Jones, Behrman (6) and Livingston; Gromek, Garcia (3), Lemon (5) and Tresh.

## Springfield Boy Is Mound Mainstay For Illini Nine

Champaign, Ill., April 13 — Off to a perfect start in defense of their Big Nine title, Illinois' baseball team encounters the Gophers of Minnesota in a two-game series Friday and Saturday on Illinois Field.

Minus services of their ace pitcher, Stan Feldman, who hurtled but three and a third innings because of a back injury, Illinois found strength in junior twirler Horace Tangman and Alby Plain to stop Northwestern twice, 2-1 and 6-0.

Tangman, a chunky left-hander, allowed only three hits going the route against the Wildcats Friday, and Plain hurled five and two-thirds innings of no-hit baseball after relieving Feldman Saturday.

The Gophers, who open their Western Conference series here this week end, have been handicapped by abnormally cold weather which has confined most drills indoors. Coach Dick Siebert's nine dropped two warmup tilts to Iowa State Teachers both by 4-3 scores, the second game going 19 innings.

Should Feldman recover fully from his back miseries this week, he is likely to open the Gophers series opposing Earl Daniels, a right hander whom the Illini found to their liking last season.

Daniels started the series opener in 1948 and was chased after four innings in which he yielded eight hits and eight runs. If Feldman isn't ready, Tangman probably will draw the assignment against Daniels.

Saturday's contest will feature either Tangman, Plain, or Ed Zinker on the mound for Illinois opposing Lloyd Lundeen, slender sophomore left-hander from West high school, Minneapolis.

**Williams Gets 3 Homers As Red Sox Tie Braves 10-10**

Hartford, Conn., April 13 — (P) — Ted Williams delighted an overflow crowd of 8,444 fans today by belting three home runs for the Boston Red Sox as the American League pennant contenders played a 10-10 tie exhibition with the National League champion Boston Braves.

The tall slugger had a perfect day at bat as he singled and walked on his other two trips to the plate in the game which was called because of darkness after nine innings which lasted two hours and 23 minutes.

Four of the Sox runs were driven in by Williams who was challenged somewhat for hitting honors by Al Dark, Braves' shortstop, who hit safely in four of his five times at bat. Two of Dark's clouts were doubles.

Boston (A) ... 002 051 110-10 16 2  
Boston (N) ... 040 123 000-10 14 2  
(The called darkness)

Farris, McCall (6) and Tebbetts; Spahn, Bickford (6) and Masl.

**Brownies Blank Gladewater 5-0**

Gladewater, Tex., April 13 — (P) — Karl Drews and Tom Ferrick allowed but five hits and the St. Louis Browns blanked the Gladewater Browns of the Lone Star League 5-0 today for their sixth straight triumph.

Righthander Vic Stryska limited the Browns to eight hits, including a home run by Hank Artt in the fifth inning.

St. Louis (A) ... 000 210 002-5 8 1  
Gladewater (L) ... 000 000 000-0 5 3  
Drews, Ferrick (8) and Moss; Stryska and Calo.

**Yankees Wallop Terre Haute 10-4**

Terre Haute, Ind., April 13 — (P) — Fred Sanford became the fifth New York Yankee pitcher to go a full nine innings today as the American leaguers turned back the Terre Haute Phillies of the Class B Three-I league, 10-4.

Sanford allowed 10 hits, including a three-run homer by Dick Young. He eased up in the late innings.

The Yanks made 12 hits. Billy Johnson tripled and drove in four runs.

New York (A) 013 100 302-10 12 1  
Terre Haute (N) 000 000 301-4 10 2  
Sanford and Silveira; Stuffed, Miller (8) and Brooker.

**East St. Louis Livestock**

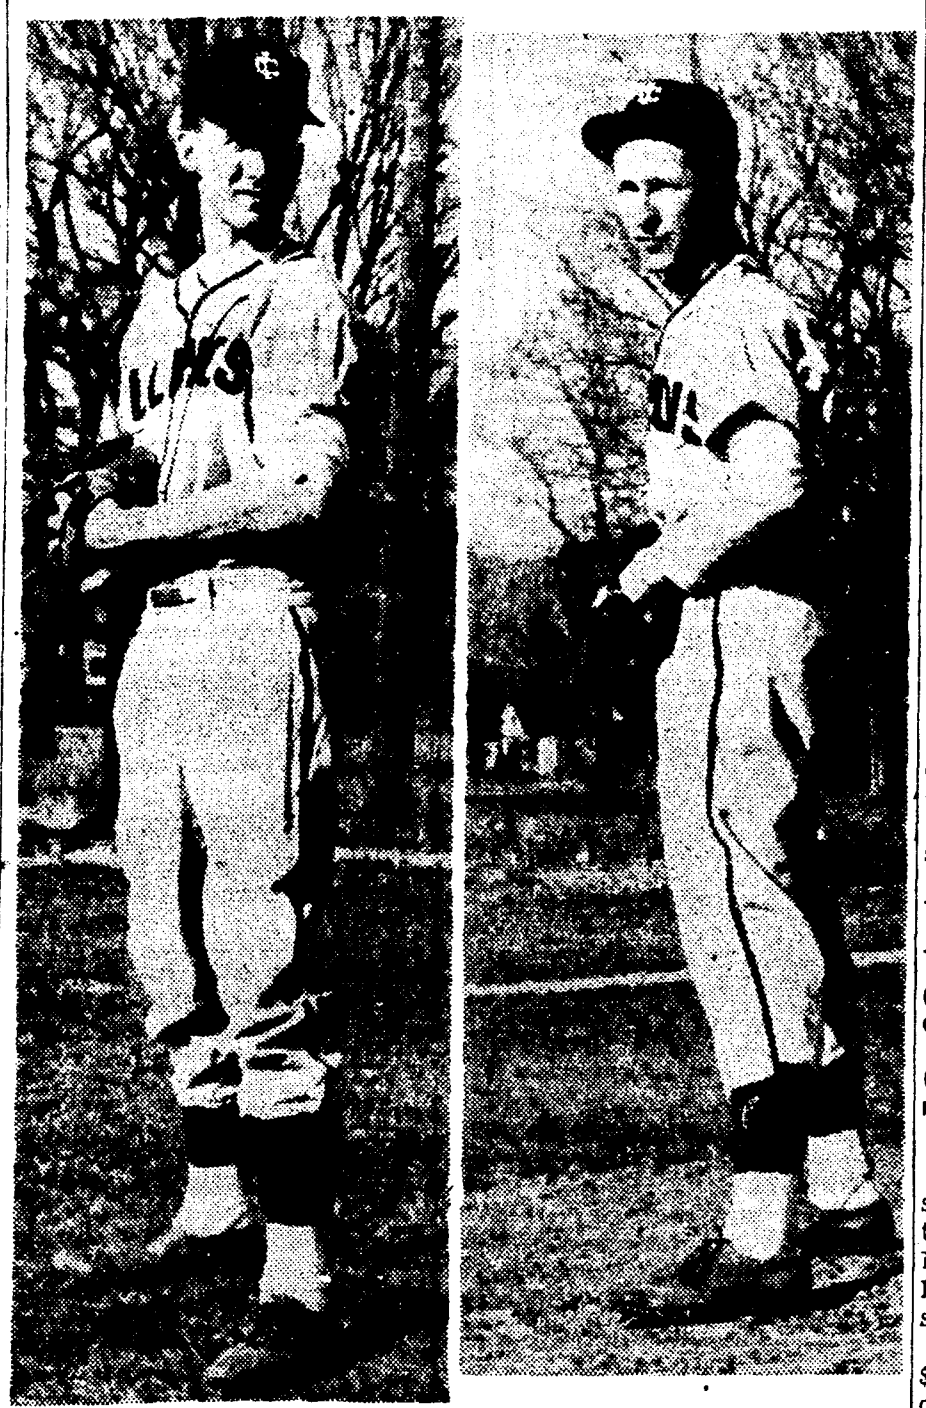

National Stockyards, Ill., April 13 — (P) — Hogs 10,000; barrows and gilts weak to mostly 25 lower than Tuesday's average; sows 25 to 50 lower; bulk good and choice 180-240 lbs. 18.50-75; top 18.75; 250-300 lbs. 17.00-18.25; most 140-170 lbs. 16.75; 170-182.5; 100-130 lb. pigs 13.50-16.75; largely 14.00 up; good sows 400 lbs. down 15.50-16.75; over 400 lbs. 13.50-15.25; most stags 11.50-13.50.

It is believed that warm belman animals originated in the Permian period of geology.

## IC Nine Vs. Scott Field Friday

DEAN CRAMER

KEN GILL

Previously unheralded Blueboy hurlers, Dean Cramer and Ken Gill, will go against the soldiers from Scott Field when the two clubs meet on Russell Field Friday afternoon at 4 p.m., Coach Joe Brooks announced yesterday.

Both of these lads, although upperclassmen, are wearing IC colors on the baseball diamond for their first season. Lenny Drabant, a letter-winner on the 1944 IC squad, has returned to the club and is slated to do some relief work against the Scott Field nine also. Cramer is the likely starter in Friday p.m.'s bout. All three chuckers are right handed throwers.

John Maynard, bell-cow of Brooks' mound staff, is being given a rest after Monday afternoon's sterling performance in which he set down the Galesburg extension school club in a 4-1 tilt.

The fielding staff on the Blueboy club will remain the same with Charley Due behind the plate, Bill Gross at first; Jim Grant second base; Gene Thomure (captain) shortstop; Bob Grove, third base; Ed Harmon, left field; Less Glenn, center field; Paul Lasley, right field.

**JHS Tennis Team Opens Chart At Quincy On Saturday, April 16**

Jim Waltz and Carl Pempek, Jacksonville high school tennis coaches, serves. John Wendorf, senior, Jerry Reinders, senior and Morris Walls, junior, have also been working out in this newly inaugurated sport at with the team.

JHS on Saturday, April 16, when they travel to Quincy for a bout with the Gem city high school tennis team.

Ten men have been working out under the tutelage of these two young coaches on the local country club court. Waltz, who is in his first year of the teaching profession, starred on the Illinois Wesleyan college tennis team in 1947-48. Pempek, in addition to assisting Waltz with the tennis team, is also the golf mentor at the high school.

**JHS Has No Court**  
A complete lack of facilities necessitates short practice sessions for each boy and as Coach Waltz stated, "they will go into battle short on practice, but long on spirit." MacMurray college may grant the local tennis the use of its courts for home meets, but no definite plan has yet evolved.

**The Tennis Chart:**  
April 16—Quincy there  
April 18—Belleville there  
April 23—Bloomington there  
May 7—District tourney at Macomb  
May 14—Quincy here  
May 20-21—State tourney at Champaign  
May 21—Havana there (providing neither team is in the state meet)  
May 30—Havana here.

**CORN FUTURES DROP ON HEAVY OFFERINGS; MAY WHEAT STRONG**

Chicago, April 13 — (P) — Corn futures sank on the Board of Trade today under the weight of heavy offerings of cash grain by country elevators. Dealers reported they bought close to 400,000 bushels of cash corn on a to-arrive basis.

Most of the rest of the market also slipped a bit, but May wheat provided an outstanding exception. Short-covering was a major factor in the relative strength of this contract. Firmness of wheat in the Minneapolis market, indicating mill buying, also helped many here.

Deferred wheat futures, representing the new crop, sold off around a cent at times. Soybeans and lard also were lower most of the day, the latter commodity being influenced by increased hog runs and another new low for loose lard since 1941. It was offered at \$9.87 a hundred pounds.

Receipts were: wheat 6 cars, corn 91, oats 44, and soybeans 9.

Wheat closed 13 lower to 1 higher. May \$2.13-1, corn was 1 to 1 cent lower, May \$1.32-1, oats were 1-1 lower, May 69, rye was 1 lower, May \$1.25, soybeans were unchanged to 1 lower, May \$2.20-2.20, and lard was 8 cents to 3 cents a hundred pounds higher, May \$11.12.

## Bob Rush Blanks Cards, 4-0; Cubs Pound Brecheen

Houston, Tex., April 13 — (P) — The Chicago Cubs, usually a soft touch for Harry (The Cat) Brecheen, walloped him for 11 hits in seven innings yesterday to earn a 4-0 decision over the St. Louis Cardinals.

But Brecheen hasn't only had trouble against the Cubs this year. In 23 exhibition innings, he's allowed 11 runs and 28 hits and has won only one game.

Bob Rush fashioned the best pitching job of the Cubs exhibition tour by holding the Cards to four hits.

Rush now is being considered along with Dutch Leonard to pitch the season opener against the Pittsburgh Pirates in Chicago next Tuesday.

Last night's win gave the Cubs an even break in the Cards' series at one game apiece.

The third game in the series is scheduled today.

**Hinrichs, Yanks' \$50,000 Slab Ace, Sent To K. City**

New York, April 13 — (P) — Divinity student Paul Hinrichs, the most talked of rookie in the camp of the New York Yankees, will pitch for Kansas City of the American Association this year.

Hinrichs, given a bonus of around \$50,000 to sign with the Yankee organization, was brought to camp to help pitch batting practice. The recruit, however, was so impressive that the Yanks seriously considered retaining him.

The 23-year-old right hander allowed only one run in 19 innings exhibition games. The Dallas Eagles of the Texas league, for whom he pitched in 1948, scored on Hinrichs Monday to break his run of 16 consecutive scoreless innings.

Manager Casey Stengel decided yesterday to leave Hinrichs with Kansas City, the club that owns his contract. Stengel said he did not want Hinrichs with the Yankees where he might be only the ninth

Following the regular matches, Greenleaf will entertain fans with an amazing repertoire of trick shots. A "boy wonder" before reaching his teens, Ralph finished fourth in the title event when he was 16 years old, won the title at 19, three years later, and has held sway almost uninterruptedly, barring a few periods when he did not compete, or was upset.

Ralph has made high runs of 273, 265 and 245 in exhibition play, and 126 unfinished against Taberski for the title in 1929, running out the match in two innings.

Greenleaf is also rated tops in 3 cushion billiards, and will give an exhibition of his excellence in this cue sport also.

**Chandler And A L Chiefs Map Moves Against Suits**

Chicago, April 13 — (P) — Club owners and representatives of the American League met with Commissioner A. B. Chandler today to line up baseball's latest defense strategy against player suits.

Today's session completes current discussions. Chandler and national league officials held a similar parley at Cincinnati last Friday.

No official statement is expected to be made. Much was the word following the national league conference and the same is expected today.

The suit against organized baseball for \$2,500,000 by Max Lanier and Fred Martin, former St. Louis Cardinals pitchers, is booked for April 23. Setting off the legal attack is the still pending \$300,000 damage suit by Danny Gardella, ex New York Giant outfielder.

Although the suits involve former national league suspender for jumping to the Mexican league, the litigation threatens the reserve clause, keystone of all major league operations.

**CHICAGO LIVESTOCK MARKET REPORT**

Chicago, April 13 — (P) — Hog prices closed weak today after starting steady to 25 cents a hundredweight higher. Cattle were steady to 50 cents higher but vealers closed as much as \$1.00 lower after having opened steady. Lambs were off a full dollar and ewes were steady to 50 cents down.

An estimated 1,500 hogs from the day's salable hog run were held over unsold even though the estimated receipts were 1,500 below trade expectations. Most good and choice butcher hogs brought \$17.00 to \$19.50 and a top of \$19.75. Sows took mostly \$14.75 to \$15.50.

Steers grading high-good and choice sold from \$26.00 to \$27.50, the top, and medium and good from \$23.00 to \$25.75. High-good to choice heifers from Nebraska made \$26.25 and good to low-choice offerings were \$24.00 to \$25.75. Good cows topped at \$21.00, sausage bulls at \$23.00, and vealers at \$31.00.

Best price for lambs was \$29.25 for choice woolled types. High-choice shorn kinds made \$28.50, while ewes topped at \$15.00.

Salable receipts included 6,500 hogs, 8,000 cattle, 500 calves, and 2,000 sheep.

The snorkel, a device which permits submarines to "breathe" while under water, was placed on Dutch ships before World War II and perfected by the Germans during the war.

**NOTICE OF CLAIM DATE**  
ESTATE OF STELLA HAY-CRAFT, Deceased.

Notice is hereby given to all persons that Monday, May 2, 1949, is the claim date in the estate of Stella Haycraft, Deceased, pending in the County Court of Morgan County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons.

## University Trackmen Whipped I.C. Squad In Four Team Meet, 1889

Notes of the Illini . . . University game series with the Illini. Over the of Illinois competed in its first intercollegiate track meet Oct. 4, 1889, games, lost six to their collegiate and finished first in a four-team meet.

Wrestling was begun as a recreational sport at Illinois in 1895 when students contributed \$25 for purchase of a mat for the sport. . . . The first banquet for an athletic team in Illinois history was held Dec. 18, 1895, for the football squad. Host was Dr. E. L. Draper, then president of the University.

In 1901 and 1902, the Chicago Cubs intercollegiate track meet at University of Illinois consisted of: a mustache cup and saucer, blacking outfit, McCauley's History of England, a bath ticket, group picture of the faculty, and a bottle of cologne. Awards were donated by local merchants.

Illinois' original intercollegiate football team in 1890 was outfitted by a harness-maker who fashioned tight-fitting suits of white canvas. Going all-out the manufacturer designed a headgear of pasteboard which resembled a Turkish fez and had a black rosette on the side. In a game at Purdue that season, the Boilermakers not only walloped the visitors 62-0, but also appropriated it will have an opportunity to witness his wizardry when the Illini star plays an exhibition match of 125 balls against Garold Gilliland, local expert, at the Drexel billiard parlor, at 4 and 8 p.m. Saturday, April 16.

Following the regular matches, Greenleaf will entertain fans with an amazing repertoire of trick shots. A "boy wonder" before reaching his teens, Ralph finished fourth in the title event when he was 16 years old, won the title at 19, three years later, and has held sway almost uninterruptedly, barring a few periods when he did not compete, or was upset.

Ralph has made high runs of 273, 265 and 245 in exhibition play, and 126 unfinished against Taberski for the title in 1929, running out the match in two innings.

Greenleaf is also rated tops in 3 cushion billiards, and will give an exhibition of his excellence in this cue sport also.

**Ralph Greenleaf, Pocket Billiard Champ, At Drexel**

Following the regular matches, Greenleaf will entertain fans with an amazing repertoire of trick shots. A "boy wonder" before reaching his teens, Ralph finished fourth in the title event when he was 16 years old, won the title at 19, three years later, and has held sway almost uninterruptedly, barring a few periods when he did not compete, or was upset.

Ralph has made high runs of 273, 265 and 245 in exhibition play, and 126 unfinished against Taberski for the title in 1929, running out the match in two innings.

Greenleaf is also rated tops in 3 cushion billiards, and will give an exhibition of his excellence in this cue sport also.

## 'THE LAST SUPPER'-by Berosini

By Cecil Tendick

The first communion was served tonight, some 1900 years ago, in the upper room of a goodman's house. Matthew described the occasion:

24. And he said, go into the city to such a man and say unto him, the Master saith my time is at hand: I will keep the passover at thy house with my disciples.

25. And the disciples did as Jesus had appointed them; and they made ready with the passover.

26. Now when the even was come, he sat down with the twelve.

27. And as they did eat, he said, verily I say unto you, that one of you shall betray me.

28. And they were exceedingly sorrowful, and began every one of them to say unto him, Lord, is it I?

29. And he answered and said, he that dipeth his hand with me in the dish, the same shall betray me.

30. The Son of man goeth as it is written unto him; but woe unto that man by whom the Son of man is betrayed! It had been good for that man if he had not been born.

31. Then Judas, which betrayed him, answered and said, Master, is it I? He said unto him, thou hast said.

32. And as they were eating Jesus

took bread, and blessed it, and broke it, and gave it to the disciples, and said, take, eat; this is my body.

27. And he took the cup, and gave thanks and gave it to them, saying, drink ye all of it.

28. For this is my blood of the new testament, which is shed for many for the remission of sins.

29. But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it with you in my Father's kingdom.

30. And when they had sung a hymn, they went out into the mount of Olives.

Ten years ago tonight a Buffalo, N. Y., circus audience saw "The Great Berosini" dangle on a high wire for a few agonizing seconds before he plunged to the bare ground 75 feet below. He landed on his toes. His feet were crushed, his legs broken in four places. Blood flowed from his mouth, blood from a lung gashed by a broken rib.

Some doctors on the hospital staff said he couldn't live. Others said he'd never walk again. But he lived. After four and one-half years, he walked out of the hospital.

"I prayed and knew the doctors were wrong," Berosini solemnly recalls.

During those long months, he turned to wood carving for passing time. A devout Catholic, he was most interested in Biblical characters. The Last Supper was one of his larger projects. He kept it and brought it to Franklin when he took over Franklin's Romy theatre about a year ago. Soon afterwards he gave it to two new friends, Mr. and Mrs. Grover Caldwell, who live southeast of Franklin. Many Morgan county people saw the work earlier this year when it was displayed at the Illinois Power company.

He fashioned the figurines "from

my heart." None of them bear a very close resemblance to da Vinci's immortal painting.

Luigi, Louie to his Franklin friends, not only carved the figures, but he made their neat, exotic-looking garments. He's proud that the clothes fit and that "they're finished just as nice behind as in front." One velvet collar was difficult. He worked on it "for four days before it came right."

The table is of maple. Other woods used were mahogany, rosewood and oak.

Berosini was born in Bohemia. His family had been high wire performers for five generations. His work took him around the world twice.

At the Berlin Wintergarten Hitler asked him "to take it easy. I don't want any accident to happen while I'm here." At the Kremlin Stalin restored his troupe's passports after the documents had been seized off by a greedy manager determined to keep the aerialists in Russia. Then he gave them free air transportation to Stockholm, Sweden.

Luigi married a St. Louis woman, an expert slip cover maker. He likes Morgan county "very fine" and plans to open a upholstery shop in Jacksonville soon.

Crippled Children

Will Be Brought

To Clinic April 21

A clinic for physically handicapped children in the Jacksonville area will be held from 9 a. m. to 1 p. m., Thursday, April 21, at Passavant Memorial hospital in Jacksonville. Dr. Herbert R. Kobes, director of services for crippled children, announced Wednesday.

The clinic will be conducted by the University of Illinois Division of Services for Crippled Children in cooperation with the Jacksonville Elks Lodge. Children from Brown, Cass, Greene, Morgan, Scott and Schuyler counties will attend.

The clinic staff will include Dr. Charles N. Pease, Chicago, orthopedist; Dr. George L. Drennan, Jacksonville, pediatrician and Miss Evelyn Green, speech and hearing consultant, Springfield.

Mrs. Lucille Shepherd, Division nursing consultant, will be in direct charge of the clinic, assisted by Miss Marjorie E. Gibson, Division assistant supervisor of nursing services; Mrs. Edith Leeper, supervising nurse of the Morgan County Health Unit; and Miss Ethel Swanson, Jacksonville school nurse.

The Division of Services for Crippled Children is the official state agency established for the purpose of extending and improving services for locating crippled children and for providing medical, surgical, corrective and other services and facilities for diagnosis, hospitalization and aftercare for children who are crippled or who may have conditions which may lead to crippling.

Additional information may be obtained from Mrs. Lucille Shepherd, 326 South Seventh Street, Springfield; telephone 2-3124.

Hominy Grits Will

Stay In America

Washington, April 13—(AP)—The south can relax tonight. Its hominy grits are not going to Europe.

A Senate-House conference agreed today to strip from the European recovery program a provision which made some grits lovers shudder.

This proposal was that 15 percent of all the corn going to Europe would be in the form of hominy grits, corn meal or corn flour.

Senator Russell (D-Ga.) protested several days ago against any such action, lest it leave Dixie short of grits.

The proposal had been offered by Senator Gillette, a Democrat from the corn state of Iowa. Gillette said it would be a good thing for Europe to discover the great food value of grits.

Dry Cleaning Specials

Coats, suits and dresses 65c each. All work guaranteed.

MERRIE GIFT SHOP, AGENCY 218 E. State

DANCE

Acadia hall, Fri. night, Apr. 15. Virgil Bowen Orchestra. Public invited.

## Grade School Students Visit Lincoln Shrines

On Tuesday and Wednesday, over 175 students, the six sections of the eighth grade, enjoyed an educational tour to Lincoln shrines sponsored by the local chapter of the Optimist club.

During the past several weeks social science and English instructors of the school have been preparing a study unit relative to early history of Illinois, the life and works of Lincoln, the shrines erected in his memory and the state buildings of Illinois. The unit included movie strips, phonograph records, the motion picture "Abe Lincoln of Illinois," library material, and information furnished by the state.

The excursion was planned and supervised by the principal, John L. Conant who accompanied the groups both days.

Three Jacksonville Trailways buses were chartered for the trip. Sections I, IV, and V made the tour on Tuesday, under the supervision of Miss Lillian Carter, Miss Ila Lewis, and Mrs. Amy Roach, representative of the Optimist club and

Ralph Heiss, school counselor assisted.

Sections II, III, and VI, under the direction of Miss Blanche Spall, Miss Ann Stevenson, and Ruth Frum, took the trip on Wednesday. They were accompanied by Frank Jensen of the Optimists and Mr. Heiss.

The itinerary was the same both days. Students were conducted through the Centennial building and the museum. They visited the senate legislature in session, the Armory and the Lincoln tomb. Sack lunches were carried and eaten in Lincoln park.

Guides at New Salem conducted groups through the village and museum there. The team of oxen and the historic Conestoga wagon built in 1821 by General Custer's father were on exhibit for them.

Expenses of transportation and other charges were paid by the Optimist club, with the exception of one dollar by each of the children, as an expression of interest in the education of the youth of Jacksonville.

## M. Brooks Byus Guest Speaker At Woman's Club

Attorney M. Brooks Byus addressed members of the Democratic Woman's club at a meeting held Tuesday evening at Hamilton's cafe. He spoke on the question of a Constitutional Convention.

Mr. Byus reviewed methods of voting before adoption of the Australian system, and presented theories and reasons of why some people are convinced of the need for such action while others oppose it.

The speaker was presented by Miss Louise Tobin, program chairman. Miss Hazel Strawn presided.

A nominating committee composed of Mrs. Eunice Gottschall, Mrs. Arthur Henderson and Mrs. Bert Matthews was appointed.

Hostess for the evening was Mrs. James Cully. She was assisted by Mrs. M. B. Byus, Mrs. Francis Brooks and Mrs. Clarence Belzer.

Refreshments were served following a social hour.

## Waverly Woman Dies; New Berlin Services Friday

Waverly—Mrs. Margaret Scheferkork, wife of Joseph S. Scheferkork, died Wednesday morning at 3 a. m. at her home north of Waverly. She was 67 years of age.

Mrs. Scheferkork, the daughter of Bernard and Mary Stenemeyer, was born in New Berlin.

She is survived by her husband; three sisters, Josephine and Catherine Stenemeyer, and Mrs. Sophia Reichert all of New Berlin, and one brother, Benjamin of Waverly.

The remains were taken to the Neece Funeral Home and will be returned to the residence Thursday morning at 10 o'clock. Funeral services will be conducted at 10 a. m. Friday morning at St. Mary's church in New Berlin. Burial will be in St. Mary's cemetery there.

Dr. Kaufman and the women of the staff explained that it is their hope to keep the boy out of a state institution by expert psychiatric methods and proper placement.

The case, one of the most difficult, was presented as an example of the work coming under jurisdiction of state social workers.

Mrs. Ows stated that Illinois has been carrying on child guidance work for 20 years. The main office is in Chicago and there are seven regional offices.

Service of the juvenile research traveling clinic is available to public officials, schools and individuals faced by problems of juvenile delinquency.

Attorney M. Brooks Byus presided at the joint meeting. William Townsend acted as program chairman.

White Hall Burial

Rites Today For

T. J. Needham

Thomas J. Needham, a retired railroad man, of Alton, Ill., died at St. Anthony's hospital in Alton last Monday, according to word received by his sister, Mrs. Abe Ward of this city.

Mr. Needham, who was 67 years old, was born at White Hall, but spent practically his entire life at Alton. He was the son of the late Daniel and Mary Needham, White Hall residents.

Mr. Needham is survived by his widow; one daughter, Mrs. Robert Bishop, Brighton, Ill.; two sons, Peter Needham of Alton and Eugene Needham of Godfrey; three sisters, Mrs. Francis McGinnis and Mrs. Kathryn Quinn of Brooklyn, N.Y.; Mrs. Abe Ward, Jacksonville.

Funeral services will be held in Alton Thursday afternoon.

Burial will be in White Hall cemetery.

DiMaggio Will Be

Discharged From

Hospital Today

Baltimore, April 13—(AP)—Joe DiMaggio probably will be discharged from Johns Hopkins hospital tomorrow, but the New York Yankee centerfielder will continue treatment for his sore heel as an out-patient.

The big slugger arrived at the hospital shortly before 2 a. m. His right heel, from which a bony growth, or "spur," had been removed several seasons, was painful.

He was examined by Dr. George A. Bennett, who had treated him several times before.

Afterwards, the hospital issued a bulletin stating that the "length of the disability will be determined by the results of the treatment." Doctors declined to speculate on just how long that would be.

The expression "to the bitter end" has a nautical origin. A ship's anchor chain, at the point where it was fastened to a vertical timber called the bitt was known as the bitter end. Thus, when the chain has been played out to "the bitter end," there's nothing more that can be done.

## MORGAN TO CALIFORNIA—1849

Morgan Man Chosen Battalion Commander

By Cecil Tendick

Two young Americans inspect the covered wagon on exhibit at New Salem state park museum. It was driven to Illinois in 1847. Wagons like it were used on the overland trails during the gold rush.

Mr. Rees was a lover of trees and secret ballot. They orated, broke the sight of Council Grove must have

filled him with delight. This unusual plot of hardwood, 160 acres of oak, ash, elm, maple and hickory, was a

welcome island in a sea of grass. Here every train cut spare parts for their wagons. Doubtless the aged and

wise men in each group argued that the Santa Fe trail would "go back to the Indians" just as soon as the last tree in the grove was cut.

The Morgan train reached the grove on a "warm and pleasant" day, May 25.

"Some of the boys was detailed to get extra timbers to carry with the company. I for one had to get axles.

"Sat 26—Cold and Windy all day. I went to cut some poles for Waggon Tonges. I washed in the Evening, etc.

The Peoria Company joined us, also got timber.

The next day was Sunday and "most of the boys chose their fates well. Letters came." These epistles could be left with the eccentric

blacksmith, the only white man within miles and miles, to be dispatched east with the next group of Santa Fe trailers heading for Missouri.

"I wrote one to Miss Mary S."

Most trains reorganized at Council Grove. A few days on the trail is enough to bring out the strong points, or the weak ones, of any man.

The American of 1849 enjoyed politics. The candidates for office didn't attempt coyness; they went out after the votes. Most of them had never heard of Australia, much less the

British Accuses

Russia Of Breaking

20-Year Alliance

London, April 13—(AP)—Britain accused Russia today of breaching their 20-year friendship alliance.

She said Russia had violated every clause in the Potsdam accord relating to the alliance.

The note, a reply to Russia's protest against the North Atlantic alliance, was made public as a diplomatic specialist in German affairs reported that Russia has made a new conditional and informal offer to lift the Berlin blockade.

The informant, who declined to be identified even as to nationality, said the Russians recently launched feelers through Polish representatives in Berlin on a deal to lift the blockade if four-power negotiations on Germany would be resumed.

Tomorrow—An Indian Scare

Virginia Rites For

George L. Sutherland

Virginia — Funeral services for George L. Sutherland were held Wednesday afternoon at the Virginia Methodist church, with the Rev. H. P. Higgins officiating.

Henry George McDonald sang. He was accompanied by Mrs. Lyle Turner.

The flower ladies were Mrs. Edwin Mefford, Mrs. Fred Sutherland, Mrs. Albert Fanning and Miss Iva Lancaster.

The casketbearers were Harley Mefford, Russell Knight, Raymond Griffin, Virgil Turner, Frank Fox and John Trenter.

Burial was in Walnut Ridge cemetery.

Asks Springfield

Workers Join UAW

Springfield, Ill., April 13—(AP)—Walter Reuther, president of the CIO United Auto Workers, personally appealed today to 3,000 of 4,700 Allis-Chalmers workers in Springfield to vote for the UAW Friday.

About 3,000 are expected to vote Friday in an NLRB election to decide whether the UAW or the CIO United Farm Equipment Workers, present bargaining agent at the plant, will represent them.

Reuther spoke briefly later as a guest in an appearance before the Illinois House of representatives. He discussed "the dangers" of communism.

Daylight Saving Time

Ballots In Readiness

Ballots have been printed and are in readiness for an advisory vote on the next Tuesday, April 19, on the question of whether daylight saving time shall remain in effect here this summer.

The proposition will be submitted at the regular city election at which a mayor, clerk, treasurer and four aldermen will be chosen.

"Shall Daylight Saving Time, one hour faster than Central Daylight Time, for the period beginning with the last Sunday in April and ending with the last Sunday in September, in each year, be adopted in the City of Jacksonville?" is the question which will appear on a small yellow ballot.

Voters will indicate their preference by marking an X in squares opposite the words Yes and No.

Ballots containing names of the various candidates are white.

top out of a whiskey keg and camouflaged him with delight. This unusual plot of hardwood, 160 acres of oak, ash, elm, maple and hickory, was a

welcome island in a sea of grass. Here every train cut spare parts for their wagons. Doubtless the aged and

## To Institute New Rainbow Assembly At Roodhouse

Officers of the Jacksonville assembly of the Order of Rainbow for Girls will institute a new assembly at Roodhouse High school gymnasium on Saturday, April 16, beginning at 8 p. m.

A potluck supper will follow the instituting and initiation. Public installation of officers for the new assembly will take place at 7:30 p. m.

The new assembly will have about 75 members.

Mrs. M. U. Olsen will act as mother adviser at the ceremonies Saturday. The assistant supreme deputy, Mrs. Hester Kohlmer of Springfield, and other grand officers of the state of Illinois will be present.

## Pamela Lamphere To Undergo Final Operation In June

Chicago, April 13—(AP)—Little Pamela Lamphere, now two and a half years old, will undergo her third and final operation to correct a rare bladder deformity in late June or early July.

This was announced today by Dr. Ole C. Nelson, assistant warden of county hospital, where the first two operations were performed last fall.

Pamela was born with her bladder outside her body. The first two operations restored normal internal bladder functions by routing the ureters into the large bowel. Normally, the ureters carry urine from the kidneys to the bladder.

The final operation will remove Pamela's non-functioning bladder.

One female praying mantis has been known to devour as many as eight enamored males.

## Democrats Urge Large Vote Turnout Tuesday

John S. Wright, candidate for mayor on the Democratic ticket, and his running mates in Tuesday's election, held their final public meeting of the campaign last night. A good-sized crowd attended a rally held in the courthouse.

Caldwell, the magician, presented a group of tricks to open the program.

M. Brooks Byus, city committee chairman, introduced the party's candidates. Those who spoke briefly included Alderman Jim Flynn, first ward; Byron Brune, candidate in the second ward, and Kenneth Woods, candidate in the third ward; Miss Vera Seaton for city treasurer, and City Clerk John R. Phillips. The group urged a good turnout of voters Tuesday.

Byus then introduced the candidate for mayor, who discussed his observations on the campaign and council.

his plans, if elected.

"I've seen a great many people and have enjoyed the campaign very much. I've learned what the residents of Jacksonville think should be done. Throughout recent months, Mayor Hogland and I have kept the campaign on a very high plane. We have not dealt in personalities of any kind. It's been all business," he asserted.

Mr. Wright then repeated his platform: improvement of the streets, a long range health program which includes extension of water and sewer mains, garbage collection and a new milk ordinance, and the permanent removal of city utilities from politics through the establishment of a merit system, a return to a non-partisan managing board or the appointment of a business manager chosen by the mayor and city council.
